Dear Ms. Keating:

This letter is to affirm that the Navy has commenced substantial continuous physical onsite remedial actions at the Building 81 site on December 14<sup>th</sup>, 2015.

The actions Navy has initiated consist of installation of overburden injection and monitoring wells. These activities and subsequent installation of bedrock injection and monitoring wells and the enhanced bioremediation injections will continue, weather permitting, as appropriate to ensure the effective implementation of the selected remedy.

If you have any questions or comments, please contact the undersigned at (617) 753-4656.

Sincerely,

A handwritten signature in black ink, appearing to read "David Barney", is written over the typed name.
